SUMMARY

I am Sharmila Kenn, a recent IT graduate eager to enhance my software administration skills through employment with respected organizations. I possess qualities of trustworthiness, tenacity, and attention to detail. I excel in both independent and collaborative work settings.

work experience

Kidocode Sdn Bhd (INTERNSHIP)

2023-2024

IT TRAINER

- Coached and mentored kids and teenagers in various modules, showcasing strong communication and interpersonal skills.
- Managed the maintenance of hardware and software in classrooms, ensuring a seamless learning environment.
- Actively participated in meetings and contributed to the development of new course content.
- Acquired proficiency in programming languages, including Python, C++, HTML, and CSS.
- Utilized programming knowledge to create electronic circuits using C++ and Arduino, develop responsive web pages, and build mobile applications with MIT App Inventor.
- Successfully completed a portfolio project using HTML, CSS, and JavaScript, demonstrating practical application of learned skills.
- Hosted web department workshops and actively engaged in weekly intern workshops on diverse topics.
- Contributed to projects such as creating a web portfolio from scratch using HTML & CSS.
- Open to learning new concepts, demonstrated a proactive approach, and willingly took on additional responsibilities.
